To Whom It May Concern:

Pursuant to the Freedom of Information Act (5 USC 552 et seq.), Clean Harbors Buttonwillow, LLC hereby requests copies of any and all public records related to any review by the United States Environmental Protection Agency ("EPA") of the Waste Analysis Plan ("WAP") including without limitation all portions of the WAP that relate to the land disposal restriction ("LDR") verification program, contained in the RCRA Part B Permit Renewal Application submitted by Chemical Waste Management, Inc. ("CWM") for its Kettleman Hills, CA facility. Clean Harbors' request includes but is not limited to copies of any communications between EPA and the California Department of Toxic Substances Control relating to the Permit Renewal Application in general and to the Kettleman Hills WAP and LDR verification program in particular. Clean Harbors' request also includes but is not limited to any and all correspondence or documents submitted by CWM in connection with the WAP and LDR verification program, including successive drafts of the WAP and LDR verification program, and any correspondence or documents prepared by EPA in connection with any review of the WAP and LDR verification program, or any drafts thereof. Finally, Clean Harbors requests a copy of the WAP and LDR verification programs contained in CWM's current RCRA Part B Permit for the Kettleman Hills Facility.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$500.

Please contact me within twenty (20) days to confirm whether EPA intends to comply with this request, and to provide an estimated date by which EPA will provide the requested records. In the event EPA denies some or all of this request, please provide its justification for said denial.

Sincerely,

A handwritten signature in black ink, appearing to read "Timmery Fitzpatrick".
